Ringer Decibel SIP

Ringer and built-in flashing light

VoIP

Description

Electronic ringer with an extra loud signal (up to 107dB) and with a built-in high-intensity flashing light, to be connected on SIP networks (VoIP and ToIP servers).

Typical applications

- Traditional environments: offices, stores, agencies, home…
- Noisy environments: factories, warehouses, public locations…
- Quiet areas: recording studios, hospitals, libraries…
- To alert the hearing impaired…

Main features

- Ringing on incoming call, with 6 ringer volume choice (up to 107dB) and 8 customisable melodies, and selectable VIP ring tone
- Silent mode, ringing off
- Flashing light when ringing, with or without idle lighting
- Continuous lighting
- No lighting and no flashing
- Auxiliary dry contact
- 2 Ethernet ports Internet/PC (bridge/router)
